

Ladies only Shooting Clinic

May 8th, 2010

East End Rod & Gun Club in conjunction with the NRA is proud to once again present Women on Target. This is an NRA sponsored shooting event for women and girls only.

The class consists of basic safety training and firearm familiarization. You will also have the opportunity to shoot a wide range of firearms; which includes 22 caliber rifles & handguns, large caliber pistols and shotguns. Attendees range from "I've never touched a gun" to "I'm experienced but never make time to get out and shoot."

Any woman, with or without shooting experience, is invited to join us for this very popular event.

Any shooter under the age of 18 must be accompanied by a parent. Male parents may bring the child and register them but may not participate.

The schedule & registration are attached. For more information about the class or if you'd like to volunteer to help out please contact:
