A big thank you to the NRA for the range grant of \$5000 for Eco-Blocks! The Eco-Blocks for the next wall will be delivered soon, and we need your help! We have started a donation fund on the website for donations to build the foundation for the wall. Everyone who donates can have their name on the metal sign on the end of the bay wall as a thank you to all who help build our great range! We need \$3,000 for the foundation to be able to complete it, look on the website for the donation tab or you can mail in your donation today!
