2022 IS BLEAK WHEN IT COMES TO EVENTS

The Club offers many sanctioned events for members and the public. Some of these aren't scheduled for 2022 as there are no event directors. These are:

- 3 Gun
- First Shots
- First Shots for Pistol
- Rimfire Challenge
- Family Range Day
- Women on Target

We need directors to conduct a sanctioned event safely, consistent with the SOP and range rules. They report to the Event Coordinator (or the board, until that position is filled), with the objective of staying within the limits of our liability insurance.

The director plans and conducts the event, including logistics, shoot plan, and staffing. The Club can and will provide supplies, equipment, publicity, and funds for these events, within the limits of our budget and/or grants. This requires a personal commitment of time and effort before, during, and after each event.

(A sanctioned event is approved by the board, and is covered by our liability insurance. Non-sanctioned events are also approved by the board, but must provide their own insurance. See the "Range Use or Proposal" form.)

If you are interested in becoming an event director, or the Event Coordinator, send a message to membership@eergunclub.com, or leave a message at 541-203-0124.

Give 'Aiming In Winter' a Try

REMINDER – Go prepared to stay warm. Take gloves, eye and ear protection, and maybe a hot drink. Remember to always, always practice safety.
